

The call before the storm.

STAY SAFE We have purchased CodeRED Weather Warning™ to alert citizens who fall in the path of severe weather, such as severe thunderstorms, flash floods, or tornado warnings.

CODE **RED**

The call before the storm.

CALLER ID You'll know the call is from CodeRED Weather Warning™ when you see *1-866-419-5000* on your caller ID. If you'd like to hear the last message delivered to your phone, simply dial the number back.

CODE **RED**

The call before the storm.

KEEPING CITIZENS INFORMED Although one of the primary uses for the CodeRED system will be for weather warnings, the system can also be utilized to notify citizens of other emergency incidents that occur in their neighborhoods, such as hazardous chemical spills or missing children.

CODE **RED**

The call before the storm.

OPT-IN TO GET THE CALL You must sign up to receive the alerts mentioned above. *Even if you have already signed up for prior emergency notification systems, you MUST sign up for CodeRED or you will not receive the Weather Warnings.*
